FORFEITS

We want to ensure that teams are getting their value for money when participating in our competitions. Therefore, we ask that all teams make every effort possible to avoid a forfeit, by using all options available to them.

Should you be struggling for players, please notify the Forum as soon as possible. With enough notice, we have a large list of individual players who are looking to join a team. We can also assist to contact other individuals who are happy to fill in for your team. You may also use social media tools, such as the **Netball fill-ins Facebook Page** to request players for your teams.

OUR AIM THIS SEASON IS TO LIMIT FORFEITS AS MUCH AS POSSIBLE. Please assist us in reaching this goal by doing your very best to fill your side each week. Early communication, both with your players and our administration staff, will make the organisation of your side a whole lot easier.

Should you **ABSOLUTELY** need to forfeit, it **MUST** be communicated to the Forum **at least 24 hours** prior to a game by calling reception on **4921 7003**. Email forfeits will **ONLY** be accepted with **one week's notice**. Teams who forfeit three (3) times in a season will be **removed from the competition** at NUSport's discretion.

A forfeit will also be awarded if a team fails to take the court within **five (5) minutes** of commencement of their game. Results given to the non-offending team for forfeits vary between each sport. See table below:

Netball	15 - 0	Open Futsal	5 - 0

PLAYER REGISTRATIONS

All players are now required to register individually into their team via the **Social Sport Registration Form – Register as a PLAYER** on our [Website](#)

All players MUST be registered into their team before taking the court (this includes fill-ins and new players).

Should a player be a late addition before a game, they MUST register before taking the court. Failure to do so will mean they are unable to participate. This is a strict measure we have had to put in place during the COVID-19 pandemic. Our friendly Team members will be able to assist you when signing in for each game.

Players must sign on weekly for their team. To qualify for finals, a registered player must have played a MINIMUM of three (3) games for their team. If a team has received a forfeit, a player must have played two (2) games PRIOR to receiving the forfeit to qualify.

To sign in: Approach the designated Team Member in the main Foyer of the Forum and quote to them your team name and your own name. They will be able to match this information with the sign-on sheet and mark you as present.

FIXTURES, RESULTS AND DIVISIONS

Fixtures are released weekly for the opening 3-4 rounds of a competition, before divisions are finalised and the remainder of the season's fixtures are made available.

Be sure to check fixtures regularly, particularly in the opening weeks, as changes may be required as new registrations are received, and divisions are adjusted. Fixtures can be found online [here](#) which can also be saved as an app to mobile devices.

Please note that a large amount of time and effort goes in to making grading decisions, and the greatest care is taken to make divisions as even as possible. Our senior umpires and administration staff use the first few weeks of competition as a guide to adjust divisions where required. The best efforts are made by NUsport to grade teams accordingly to create fair and enjoyable competitions for all, and their decisions are final.

RESERVES, FILL-INS, AND ADDITIONAL PLAYERS

A large number of individuals register each season looking for a team to join. If you can assist, please contact the Forum via email; competitions@theforum.org.au
